

Let NSW CID make life easier for you...

We bring together the expertise of people with intellectual disability with our skilled trainers, facilitators, designers and easy read gurus, **to help your organisation be more inclusive and accessible.**

Talk to us about a package to suit your needs

Need Easy Read materials?

We create or translate everything from websites to surveys into Easy Read

Want to make your organisation more inclusive?

We work with you to review your practices and train your staff

Wondering what people with intellectual disability think?

We run consultations and focus groups so you can find out

Become leaders in working with people with disability and set your organisation apart from the competition

We'd love to help you

There are lots of ways we can work together and we can tailor a package just for you
